Dear Brendon and Nick

RE: Xanadu Eco Park, Hartebeespoort , Gauteng

I would like to convey what a good job C3 Shared Services has done with the installation of our perimeter security system at Xanadu Eco Park.

Our security has been greatly improved since the installation and we are now confident regarding the safety of our residents and their belongings in the Estate.

It has been a pleasure to work with C3 Shared Services. The Company does go the extra mile to ensure that their systems are installed efficiently and effectively. I would recommend C3 Shared Services to anyone looking at installing a perimeter security system.

Yours Sincerely

Thys De Wet
